Classroom Furniture

Ordering school furniture can be a daunting task, especially when spending so much of your school budget. If you are kitting out a new classroom or replacing a number of tables and chairs then simply selecting from a catalogue may not be the best option.

We can advise on the best table and chair heights, surfaces and edge options and the best classroom layouts for your needs. We have years of experience and will take all your needs into account - your budget, the age of the pupils, and the type of uses and environment that the furniture will be used in. Whether it is DT benches and stools, IT

seating, or standard classroom furniture you require, we will be happy to advise on health and safety considerations, British Standards, lighting and ergonomics.

There is no obligation to buy from us, but we would welcome the opportunity to provide you with a quote and to prepare layout drawings for you to consider.

We have the expertise to protect you from potentially costly mistakes, so please call us today to discuss your requirements.

Choosing Your Tables

3 Table Styles

Crushbent frame - the best option if the tables need to be stacked frequently, the tables can be slide stacked easily.

Fully welded frame - the most popular choice, strong and durable, the tables will stack in a spiral fashion.

Premium frame - Round leg frame gives an extremely strong and modern, attractive look to the classroom, can be spiral stacked.

3 Edge Styles

MDF edge - Lacquered natural wood edge gives a low cost tamperproof solution.

PVC edge - Introduce colour by having a matching or contrasting edge in a wide range of colours, impact resistant.

PU (polyurethane) edge - The ultimate choice, spray applied polyurethane gives a seamless, water resistant, textured durable edge to the table.

3 Top Styles

Standard Laminate

10 Colours

Premium Laminate

9 Colours

Dry Wipe Laminate

Accepts drywipe pens

Classroom Tables - Fully Welded

- These welded frame tables are proven in the education market and have passed FIRA tests for severe educational use
- The welded frame means the tables can only be spiral stacked 4 to 5 high, as opposed to crushbent tables that can be slide stacked. However, the welded frames tend to be stronger
- This fast selling, popular product has a hard wearing laminate top with MDF core
- Frame colours: black, light grey, silver grey or metallic charcoal (other frame colours available as specials POA), black will be supplied unless specified
- Choice of rounded MDF edge or square PVC edge, a rounded PVC edge is also available POA
- Orders of less than 5 tables may incur a carriage charge

Classroom Tables - Crushbent Frame

- The following range of crushbent framed tables is one of the largest in the UK
- All our products have been proved suitable for severe educational use
- This fast selling table is very popular as it can be easily stacked due to the frame design
- The top has a MDF core with a hard wearing laminate finish
- Frame colours: black, light grey or metallic charcoal (other frame colours available as specials POA), black will be supplied unless specified
- Choice of rounded MDF or square PVC edge, a rounded PVC edge is also available POA
- Orders of less than 5 tables may incur a carriage charge

Spray PU Edge

Also available in
1200 x 600mm POA**PU Edged Tables**

- Impact Resistant - Waterproof Edge Guarantee
- This new technology in table manufacturing is extremely popular as the textured coloured edging is moulded onto the edge of the table, meaning that it cannot be prised or picked away
- Give your classroom an unfading, long lasting, colourful feel with these bright, cheerful and popular classroom tables
- Available with crushbent (stacking) or fully welded frames
- Frame colours: black, light grey or metallic charcoal (other frame colours available as specials POA), black will be supplied unless specified
- Orders of less than 5 tables may incur a carriage charge

Straight Top Locker Desks

- These traditional desks are still popular throughout education and with good reason as they provide a sturdy, quality, long-lasting solution
- The desk frame is solid beech with mortice and tenon joints, glued and screwed for extra strength
- The desk lid is a beech melamine MDF top providing a matching finish
- The straight top locker desks have a pen groove on the back edge and are available as single or double desks
- The width between the legs is suitable for most chair types, internal width is shown below

“This chair clearly considers all ergonomic factors for a modern classroom chair. In addition, the chair’s aesthetics are design led whilst maintaining exceptional value for money. FIRA have recommended that the chair is put forward for the schools certification scheme - for products going beyond the standard BS EN1729.”

- Levent Caglar, Senior Ergonomist & Head of Ergonomics Unit, FIRA.
